INAUGURAL WORLD ALL SCHOOLS TOUCH TOURNAMENT

History

The World All-Schools was originally set down for the year 2000 in Fiji but the Australian Government banned Fiji from international Sporting contacts with Australia due to the coup an unconstitutional government in Fiji at the time. Even when “matters” over there settled down, the safety of school children could not be guaranteed and parents would not support the event in that country.

Consequently it was moved to the Gold Coast of Australia and played in October 2001 replacing the Queensland All-schools tournament. There were 38 Boys teams, 47 Girls teams and 22 Mixed teams competing at the event with all but two of the teams coming from Queensland.

Next Event

The next World All-Schools will again be played in place of the Queensland all-schools and is being held at the White Hill Touch Grounds in Brisbane between the 10/12th October 2003. The tournament is being conducted unde the auspice of the Federation of International Touch but all the preparatory work is being carried out by Peter bell and the Queensland Secondary Schools Touch Association. F.I.T. tournament Directors will run the actually event with the assistance of QTA, and the Queensland School’s personnel
