NATIONAL OPENS CHAMPIONSHIPS

TOUCHDOWN SCORERS

Cary Thompson
Touch Historian & Author

The history of the Opens NTL goes back to 1997 when the National Championships changed from a State verses State series to a Franchise verses Franchise competition.

The first year saw only a handful of scorers being recorded. Despite efforts to obtain the information from Permit Holders, the data has been lost.

Information regarding scorers in several games in 2006 is missing. Much of it was never recorded electronically and paper records have since disappeared despite a mammoth effort by the TFA office staff to locate them.

If anyone can provide TFA with 2006 data the games where information is missing will be forwarded to you then maybe many of the gaps can be filled.

There will be errors in this data especially where last names have changed by means of personal circumstances. Any errors or omissions can be notified to me or Touch Football Australia

Attached is the history of Touchdowns scored at the events from 1997 to 2020
