This document traces the Results, Statistics, Trys and Records of
the Queensland Spirit Touch Association's
National Touch League performances from 1997 to date.

It first started after the traditional State v State competition was abandoned in
1997 with the introduction of the NTL (National Touch League) in the Open
Divisions. The following year the Age Divisions NTL commenced.

An Elie 8 competition was introduced in 2011 in Men and Women Divisions.
This was subsequently replaced in 2019 by the NRL Touch Premiership, an
event played before the main NRL game at various venues throughout the
year.

In 2013 Mens and Womens Open divisions were replaced with the
T-League divisions comprising of youth and open players as the Elite 8
drained the permits of the elite Men and Women players. In 2019 Mens and
Womens Open Division were reinstated.

The information was provided by records held by the TFA and recorded,
assembled and collated by Cary Thompson.
