The Australian Secondary Schools Touch Association in conjunction with the TFA designed an elite level competition to allow for competitive touch across a wider sector of the schools system and the community. Previous competition was limited to State based teams. Recent years have seen New Zealand teams attending to compete in the preliminary rounds, but not the finals series. A NSW development squad has been added to the tournament.

In 2016 students aged 9/10 years attended the National Youth Championships for the first time along with Alliance Cup Teams. The students results are attached.

This year beside the NYC and Alliance Cup the students series was played alongside the Master Trans Tasman Series. Please advise of any errors or omissions to Touch Football Australia
