## **SCHOOL SPORT AUSTRALIA TOUCH FOOTBALL PRIMARY SCHOOLS & COMBINED EVENT HISTORY**

Primary Girls Touch evolved as a representative sport in Queensland in the early 90's, primarily as a gender equity initiative to address the imbalance of representative sporting opportunities for girls in comparison with boys. The inaugural State Championship for Primary Girls Touch in Queensland was held at Albert Park, Gympie in 1994, with 9 regions competing. A state merit team was chosen from the championships.

Interest was expressed in trying to establish an interstate exchange, with Queensland Primary School Sport successfully flagging the suggestion interstate. The first official state girls team was selected in 1995, and participated in an Interstate Exchange with the Northern Territory in the Peninsula Region of Queensland. The Exchange was played in three centres - Cairns, Mareeba and Innisfail.

For the next two years, Interstate Exchanges were conducted between Queensland, the Northern Territory and a North West Queensland team, with NT hosting in Darwin in 1996 and Queensland hosting in Mount Isa in 1997.

In 1998, the Interstate Exchange was hosted by NT in Gove, and included the Australian Capital Territory for the first time. New South Wales came on board in 1999 and hosted the first National Exchange in Gosford, involving four 12 years & under girls teams. This exchange was held in conjunction with the 15 years and under National Championships, a format that was to prove very popular and successful in the future, with combined 12/15 year SSA Touch Tournaments.

### **COMBINED EVENT**

In 2001, School Sport Australia conducted the inaugural Combined Touch Tournament in Darwin. This involved both primary girls and secondary students competing under the one competition banner at the same event.

Finally, in 2002, 12 years boys were also able to compete at an interstate level, with ACT hosting Queensland and Tasmania in Canberra in an invitational event in conjunction with the SSA Touch Tournament. In 2003, South Australia entered teams for the first time, with NSW and NT boys also entering teams in the tournament, to make very competitive six-team competitions for both boys and girls 12 years Touch.

The Combined Championship now continues to be a very successful and worthwhile sporting and cultural experience, enjoyed by many talented sports people from around this wonderful nation.
